Invitation to SNOBS 30th Open Championships, 2010

Hello dear friends, greetings from Sweden!

SNOBS is proud to invite You to take part in our great singing weekend, SNOBS 30th Convention and Open Championship. It takes place in Södertälje, just 30 kilometres south of Stockholm, Sweden, between May 6th - 8th, 2010 and will feature many National highlights as well as International guests – of which we hope You will be one!

As you may already know the 2008 International College Champion quartet and 2009 International 4th place Medallist quartet “Ringmasters” will be part of the convention, as well as the 2009 International 7th placed chorus “zero8”, under the direction of Doug Harrington. Not forgetting our new and aspiring youth quartets... They will all really help to set the level!

An all-events pass can be purchased at the cost of 75 EUR (750 SEK).

The venue for all contests and shows will be the renowned stage “Estrad”. The convention HQ Hotel is the nearby Quality Hotel Park, Södertälje City, where we have very favourable prices (see more info on the following page) during the convention. Both venues are located adjacent to the Södertälje Central train station.

If you're travelling by airplane, Stockholm Arlanda is the nearest major airport. There is excellent transportation between Arlanda (as well as the rest of Sweden) and Södertälje by train. If you're travelling from another EU country you may also be able to use Stockholm Skavsta Airport (Nyköping), to which Ryanair operates. Cost effective flying as an alternative and good communications too.

We await your reply (see link to the forms at www.snoobs.org) not later than February 28th, 2010 and really look forward to seeing you here in Sweden in May!

In Harmony,
Best regards

Henrik Rosenberg
